FBCA Referral Program

Do you have family or friends looking for a high-quality, Christ-centered education for their children?

You could receive a \$250 credit toward your child's tuition at First Baptist Christian Academy if you refer a new family to FBCA (Early Childhood, Elementary grades K-5 or Middle School grades 6-7).

Everyone wins!

- New families get the peace of mind that comes from knowing their child is getting an outstanding education from one of St. Charles County's premier private schools.
- Families who make the referral receive a \$250 credit toward their child's education at FBCA, therefore reducing your yearly cost for tuition.
- And best of all, FBCA gets another opportunity to shape and encourage a child spiritually, intellectually, emotionally and socially.

Here's how it works...

The process is simple. Just tell your friends, neighbors, family members, etc., about the great education your child is receiving at FBCA. Before the family visits send in the form below, we will credit your child's tuition account \$250 once the new student has attended FBCA for 30 days.

* Parental referral program is open to all parents of current FBCA students. Tuition credit to be paid out 30 days after the new student begins attendance. Tuition credit not available for referring your own children. \$250 credit is only good toward tuition on student's account. Credit applied to student's account only, no cash given, non-transferable. Families who have already paid the full year's tuition will receive a referral incentive check.
